We are applying to RA for our grant.

It was agreed by NB of West Surrey Lettings to sponsor the leaflets for a campaign by WBNF.

Constitution

SD has distributed the draft of the new constitution to the committee members.

Plan Ratification

We have been informed by WBC that our Plan has been adopted by WBC as part of their development plan on 7th December 2017.

Sheer House

WP and PH visited Chris Dale and Ben Bailey from the planning department of WBC. Outline planning permission was given just before Christmas. Significant reserve matters remain to be agreed and need to go before the full planning committee. These include the bulk of the buildings, the design and facing etc.

The developer must provide some interim services during the term of the project such as the chemist, post office and the library within the village. It is expected that the developer, Altitude will hold a public meeting to outline all the issues to the residents.

It was agreed WP will contact Altitude to arrange a meeting to discuss this and the potential timetable.

Recreation Ground

No planning application has been made yet. Agreed to invite our local councillor and planning committee member Amanda Boote to our next meeting to discuss the situation.

Next Meeting

It was agreed to have the next meeting on the 7th of February at 7.30pm at Stoop Court.

WP will confirm the availability of Stoop Court for the meeting.

There were no other matters to discuss and the meeting adjourned.
